Subject: Group Bookings at Bix

Thank you for considering BIX for your group booking. When available we can accommodate groups of 12 to 22 guests at 2-3 adjacent tables in the main dining room.

We typically accept reservations of this size at 5:30pm, 6:00pm or 8:30pm. You can choose from either of our three menu options, priced at \$60, \$80 or \$90 per person, plus beverages consumed, 8.5% tax, 6.5% San Francisco Offset charge, a 20% gratuity, and a \$100 booking fee for the use of the small party area.

On Sunday through Thursday evenings if you would like to reserve your party during our peak dining times, between 6:15pm – 8:15pm, we do require parties to use our \$90 per person menu. If you would like to book on a Friday or Saturday evening we only book at 6:00pm or 8:30pm and ask that you guarantee the \$90 menu option.

Following you will find examples of the type of menu that we can provide; however, please understand that our produce is purchased fresh and is subject to market supply, so your menu will be of similar quality but not necessarily the same items.

Please call me regarding these reservations. In order to make these reservations we will need a signed table agreement with a credit card guarantee and an authorized signature. Our policy is that if you cancel with less than 48 hours' notice or simply do not show we will charge \$25 per person to the credit card on file.
